ARTWORK

☉ Artwork should be submitted **digitally**, by email to ads@frootsmag.com meeting the following specifications.

☉ Best practice is to supply as a single high resolution graphic file – typically a minimum 300 ppi CMYK **JPEG** or **TIFF** – that does not require font support.

☉ Alternatively, we can accept **PDF** files with:

- ☉ All fonts embedded.
- ☉ All images embedded at hi-resolution (300 ppi or higher for colour or grayscale, 600 ppi or higher for bitmap).
- ☉ All embedded colour images as CMYK.
- ☉ Full page ad PDF documents oversized by 10mm on all sides and to include crop marks.
- ☉ The file flight check verified before sending.

☉ Artwork supplied must be of an acceptable graphical standard.

OTHER ARTWORK ALTERNATIVES:

☉ We can still process adverts in Quark XPress 8 or earlier. These should be sent to us in a folder collected with all graphics – minimum 300ppi CMYK or 600ppi grayscale – and all fonts used in the document (including those encoded in EPS files). We can **not** process those submitted in later Quark versions or in any other page design software such as InDesign, Pagemaker etc.

☉ Standard word processing software such as Microsoft Word should **not** be used other than to supply basic keystroke text for adverts we have agreed to typeset for you.

DIGITAL EDITIONS

All adverts that appear in the print editions of **fRoots** are carried in identical form in our **digital editions** for desktop, laptop and iOS or Android tablets/ smartphones **FREE OF CHARGE**, including a free working web link on all adverts if included. You do not need to supply separate artwork.

COPY DATES

For deadlines for written space bookings, and target dates for receipt of electronic artwork, please download separate Copy Dates schedule or email ads@frootsmag.com for details.

No verbal bookings, copy or amendments.

CANCELLATION

You are liable for payment at full space rates for any booked adverts cancelled, or for which copy has not been received, after the stated final date for space booking.
