- The **Autumn** issue out in September covers October to December and has a focus on autumn tours, releases and the annual showcase events like WOMEX and English Folk Expo
- The **Winter** edition, out in December, covers January to March, carries our annual **Critics Poll for Albums Of The Year** and looks at spring tours and releases.

*\* Please note that the Autumn issue copy date is earlier than usual to work around advertiser and staff commitments in the festival season.*
